WORK EXPERIENCE

Collective Health – Product Design Intern
San Francisco, 2018

- Developed typography, spacing, and icon design system elements and helped ship the updates to the live iOS and Android apps.
- Worked as temporary design lead for a mobile feature update.
- Received and accepted offer to work as a remote contractor after the end of the internship.

NBCUniversal – Design & Production Intern
San Diego, 2017 - 2018

- Animated and edited visuals and audio for multiple television ads.
- Assisted with filming and audio recording on production shoots.

A.S. Graphic Studio – Web & Graphic Designer
San Diego, 2017 - 2018

- Worked directly with clients to design websites, graphics, apparel, and managed physical production for each project.
- Worked as temporary design lead for a mobile feature update.
- Received and accepted offer to work as a remote contractor after the end of the internship.

University Centers – Lead Graphic Designer
San Diego, 2013 - 2017

- Worked directly with clients to design custom artwork and graphics.
- Managed and assigned workload for a team of four designers.
- Received two scholarships and university awards for outstanding work as a student employee.
